TERMS & CONDITIONS 2011 – 2012

- 1 The fees due in any one year are those published for that academic year and are payable termly in advance by the first day of each term.
- 2 Where parents may have difficulty in meeting this requirement they should discuss their situation with the Bursar to see if payment may be made by instalments. If this is possible, parents will also have to enter into a fees instalment agreement.
- 3 No allowance can be made for a late start or early leaving except for those students enrolling more than four weeks after the beginning of term who will pay on a pro rata basis until the end of term. No reduction can be made in the event of absences from the College for whatever reason.
- 4 Fees for individual lessons missed are still payable unless 24 hours notice is given in writing.
- 5 Fees, which remain unpaid two weeks after the start of term, will be subject to a £100 late payment surcharge without exception. If alternative arrangements are made under paragraph 2 above, the £100 surcharge will apply immediately if any of the agreed instalment dates are not met.
- 6 Public examination entrance fees are not included in the tuition cost. Students are responsible for entering examinations. Forms are available for this purpose from the Examinations Officer / Registrar.
- 7 The College reserves the right to refuse entry to public examinations if the tuition fees have not been paid in full, and/or if a student fails to meet the satisfactory level of work effort, attendance or performance.
- 8 If a student wishes to withdraw from the College before the start of their course, no fees other than the enrolment fee will be payable provided that written notice is received prior to the first day of the term that precedes the term beginning with their proposed start date. Receipt of this notice must be confirmed in writing by the Bursar. Failure to give such notice will result in the first term's fees being payable.
- 9 If a student starts the course and wishes to then withdraw from the College before the half-term of their first term, only the fees for that first term will be payable provided that written notice is received prior to the half-term break. Receipt of this notice, must be confirmed in writing by the Bursar. Failure to give such notice will result in the following term's fees also being payable.
- 10 It is assumed that the student intends to remain at the College until completion of both the AS and A2 components of a full A-Level course. Therefore, except as provided under paragraphs 9 & 10 above, if a student wishes to withdraw from the College before completion of a full A-Level course the fees for the following term remain payable unless written notice is received by the College on or before the first day of the last term to be attended by the student. Receipt of this notice must be confirmed in writing by the Bursar.
- 11 Notice of discontinuation of any subject must be given in writing one full term in advance, otherwise payment for the next term will be required. Receipt of this notice must be confirmed in writing by the Bursar.
- 12 A student may be asked by the Principal to leave the College during a term for disciplinary reasons or for the non-payment of fees. Under these circumstances, fees for the whole of that term remain payable.
- 13 Timetables and fees may be altered at short notice should circumstances demand it. The Principal reserves the right to reduce the standard hours of tuition for groups of three or less as follows:
A-Level: 1 student - 3 hours per week. 2/3 students - 4 hours per week.
GCSE: 1/2 students – 2 hours per week.

- 17 Parents confirm that they will as soon as possible, inform the College if the student develops any new medical condition, disability or learning difficulty whilst they are a student at the College. If the medical condition is a communicable disease parents agree that the student will be kept from the College until medical advice is provided stating that it is safe to return to the College.

- 18b) In the event of a force majeure arising which prevents or delays the College's performance of any of its obligations under this agreement, the College shall forthwith give you notice in writing specifying the nature and extent of the circumstances giving rise to the force majeure. Provided that the College has acted reasonably and prudently to prevent and minimise the effect of the force majeure, the College will have no liability in respect of the performance of such of its obligations as are prevented by the force majeure while it continues. The College shall use its best endeavours during the continuance of the force majeure to provide educational services.
